Dear Board of Directors:

This letter represents a request for permission to, once again, take a one day field trip to Washington, DC for junior and senior students from Meadville Area Senior High School. Many of the classes have studied and read a book about the Holocaust this year and would like to visit the U.S. Holocaust Memorial Museum. I have arranged transportation and funding for transportation for the trip through the Jewish Community Council of Erie.

The students are agreeable to paying for their own meals and incidentals. We are planning the trip for Sunday, April 29, 2018, so there is no cost to the district. The trip would include students and interested teachers/ adult chaperones totaling 50 – 56 travelers.

If you need further information or have any questions, please feel free to contact me.

Thank you for your consideration in this matter.

Sincerely,

Tami Shilling
