

## CRAWFORD CENTRAL SCHOOL DISTRICT SCHOOL STORE AGREEMENT

This Agreement is between The ONE Federal Credit Union (hereinafter "Credit Union") and Crawford Central School District (hereinafter "School District") on the dates(s) recited below.

The Credit Union has proposed an expansion of their Student Credit Union program to include a school store providing in-school services and marketing education to students in the Meadville Area Middle School (MAMS) and Meadville Area Senior High School (MASH), jointly.

The School District desires for the Credit Union to expand their services to include this School-Based Enterprise (SBE) Laboratory pursuant to this Agreement.

As part of the Credit Union's store expansion program, the parties agree as follows:

1. In conjunction with Crawford Central School District Administration, Credit Union shall coordinate delivery and implementation of in-school services and marketing education to both MAMS and MASH students.
2. The SBE program is for the express use of the students, faculty and staff of the School District and may not be used by any other individuals.
3. It is intended that with respect to this Agreement and the services to be performed hereunder, that neither party's employees shall be considered the employees of the other.
4. Credit Union agrees to comply with all Crawford Central School District policies and procedures.
5. The Agreement is subject to the approval of Crawford Central Board of School Directors for implementation of the SBE program in MAMS and MASH.
6. The Agreement may be cancelled by either party upon completion of initial term agreement, May 22, 2017 through June 30, 2020, with thirty (30) days written notice. Any notice by either party to the other shall be in writing and shall be deemed proper only if delivered personally or sent by registered or certified mail in an addressed postage-paid envelope to an address as either party may designate in writing.
7. In the event School District chooses to discontinue any portion of the SBE program, it is understood that any and all equipment and materials provided by the Credit Union will be removed and returned to the Credit Union.
